You could never tell me, anything at all  
I thought I had the answers til' I took a fall  
Crawling down on my knees with the only thing I had  
I grew hard, I grew mean, mostly I got mad

I have to know  
What this attraction's all about  
I hear you callin'  
But still have my doubts

Tell me please  
Is there any left for me  
Do you want me on my knees  
It's so plain for me to see

Restlessness on my mind  
Is it here to stay  
After so many times  
Could go either way

I have to know  
What this attraction's all about  
I hear you callin'  
But still have my doubts

Tell me please  
Is there any left for me  
Do you want me on my knees  
It's so plain for me to see

(Solo)

I have to know  
What this attraction's all about  
I hear you callin'  
But still have my doubts

Tell me please  
Is there any left for me  
Do you want me on my knees  
It's so plain for me to see

Tell me please  
Is there any left for me  
Do you want me on my knees  
It's so plain for me to see

Tell me please  
Is there any left for me  
Do you want me on my knees  
It's so plain for me to see  
Tell me please
