Wake me, Wake me.
I make up the words as I go along,
I'm surprised they found you,
I'm surprised they touch you.

Wake me, Wake me.
I've waited for this all along,
Leave it all to have you.
I'm surrounded by idiots.
Wake me when it's over.

Save Me.

I'll do my best to see What it means to me, Wake me when it's over.

It's easier said than done It's easier done than undone.

Save Me. Words - Rev Music - St James
