I'm on my knees but I can't follow
I'm sitting here alone, abandoned, torn apart
I'm on my knees I can't continue on
Emotionless and deserted

The Incurable Tragedy
The Incurable Tragedy

Tragedy

Frozen, lost, and out of time
Crossing to the other side
The ending came so suddenly
Now her I stand and there you lay
Endless grief conceding
Presuming
Allowing
Undaunted

The Incurable Tragedy
The Incurable Tragedy
The Incurable Tragedy
The Incurable Tragedy
