

Into Eternity **"Time Immemorial"**

Visit "[Time Immemorial](#)" on MotoLyrics.com

Day after day
Endlessly repeatedly
An entity
A high spirit traveling
On and on
This energy

Time and again
Year after year
Immortal
Perpetual
Navigate hereafter

Time immemorial
Beyond the reach of memory
Time immermorial
Shifting into the other side

Beyond the inception
The distant past beyond memory
Conscious entity
A high spirit traveling
On and on
This energy

Time immemorial
Beyond the reach of memory
Time immermorial
Shifting into the other side

Perpetual
Navigate hereafter

Time immemorial
Beyond the reach of memory
Time immermorial
Shifting into the other side
