And it came to pass, all that seemed wrong  
Was now right and those who deserved to  
Were certain to live a long and happy life  
Ever after, ever after

Journey over, all is mended  
And it's not just for today  
But tomorrow and extended  
Ever after, ever after

All the curses have been ended  
The reverses wiped away  
All is tenderness and laughter  
For forever after

Happy now and happy hence  
And happy ever after

There were dangers  
We were frightened  
And confusions  
But we hid it

And the paths would often swerve  
We did not  
There were constant  
It's amazing

Disillusions  
That we did it  
But they never lost they're nerve  
Not a lot  
And we reached the right conclusions  
And we got what they, we deserved

Not a sigh and not a sorrow  
Tenderness and laughter  
Joy today and bliss tomorrow  
And forever after

I was greedy  
I was vain

I was haughty  
I was smug, we were happy

It was fun  
But we were blind  
Then we went into the woods  
To get our wish and now we're really blind

I was perfect  
I had everything but beauty  
I had power  
And a daughter like a flower in a tower

Then I went into the woods  
To get my wish  
And now I'm ordinary  
Lost my power and my flower

We're unworthy  
We're unhappy now, unhappy hence  
As well as ever after  
Had we used our common sense

Been worthy of our discontents  
We'd be happy

To be happy and forever  
You must see your wish come true  
Don't be careful, don't be clever  
When you see your wish, pursue

It's a dangerous endeavor  
But the only thing to do  
Though it's fearful  
Though it's deep, though it's dark

And though you may lose your path  
Though you may encounter wolves  
You mustn't stop, you mustn't swerve  
You mustn't ponder, you have to act

When you know your wish  
If you want your wish  
You can have your wish  
No, to get your wish

You go into the woods where nothing's clear  
Where witches, ghosts and wolves appear  
Into the woods and through the fear  
You have to take the journey

Into the woods and down the dell  
In vain, perhaps, but who can tell?  
Into the woods to lift the spell  
Into the woods to lose the longing

Into the woods to have the child  
To wed the Prince, to get the money  
To save the house, to kill the Wolf  
To find the father, to conquer the kingdom

To have, to wed, to get, to save  
To kill, to keep, to go to the festival  
Into the woods, into the woods  
Into the woods, then out of the woods

And happy ever after
