How could it come to this?  
How could I let this happen?  
This will be the end of me (x2)  
Keeping my eyes closed for what's outside of myself  
And this will be the end of me  
This will be the end of me  
And only carrying about  
my own  
Self-centered sad little world  
And only carrying about  
my own  
Self-centered sad little  
Sad little world  
Because things I don't see, I don't have  
to feel  
And things I don't feel. I don't have to care about.  
But this is a  
lie,  
I'm carrying a sickness I brought on myself  
Yes I brought  
I brought on myself  
I'm only carrying about own  
Self-centered sad little world  
And only carrying about my own  
Self-centered sad little  
Sad little world  
And only carrying about my own  
Self-centered sad little  
And only carrying about my own  
And this will be the end of me  
This will be the end of me  
Oh. Take this my  
sickness!  
Take what I  
have inside of me  
Oh, take this my weakness!  
Take what I  
Take what I have become  
Its all yours to change!  
Its all yours! (x3)
