What do I do
When a woman get a hold on you
What can I say
When they come around my way

(Do ya) do ya believe
Would you let each other know

When you want to flow down the river
Sail down the river
The sweet, sweet river of love
Flow down the river
Sail down the river
The sweet, sweet river of love

Yeah, flow down the river
Sail down the river
The sweet, sweet river of love
Well now, flow down the river
Sail down the river
The sweet, sweet river of love

What do you do
When you wanna get a hold on me
You know that I fall
In love so easily

(Do ya) do ya believe
Let each other know

When you want to flow down the river
Sail down the river
The sweet, sweet river of love
Flow down the river
Sail down the river
The sweet, sweet river of love

I want you to know
You can always count on me
Stop what I'm doing
I'm gonna keep you company

(Do ya) do ya believe
Let each other know

When you want to flow down the river
Sail down the river
The sweet, sweet river of love
Flow down the river
Sail down the river
The sweet, sweet river of love

Yeah, flow down the river
Sail down the river
The sweet, sweet river of love
Well, now, flow down the river
Sail down the river
The sweet, sweet river of love

Yeah, flow down the river
Sail down the river
The sweet, sweet river of love
Well, now, flow down the river
Sail down the river
The sweet, sweet river of love
