Dance with me
hold me closer, closer, closer, & closer
much closer
while the music plays

Dance with me
hold me tighter, tighter & tighter, much tighter
oOooH
let the rythm sway
ooooh put your lips to mine
when the music blends
we're no longer strangers baby
now we're more then friends

oh pretty baby, wont you dance with me
dance with me closer
closer and closer
and maybe
we'll me lovers, when the music ends
when the music ends
we'll be more then friends
while the music blends

harmonizing.

just put your lips to mine
when the music blends
we're no longer strangers baby
now we're more then friends
oh little darling
wont you dance with me
hold me closer
closer & closer
and maybe
we'll be lovers
when the music ends

dance with me
(when the music ends)
dance with me
(when the music ends)

dance with me
(when the music ends)
when the music ends
(we'll be more than friends)
we'll be more than friends
ooh dance with me
sha la la la
[bridge.]
hold me closer, hold me closer
when the music ends
we'll be more than friends
when the music ends
