

## Intro

# "Don't Leave Me"

Visit "[Don't Leave Me](#)" on [MotoLyrics.com](http://MotoLyrics.com)

What we gonna do right here is go back  
Way back. Back into time

No baby

No baby

No baby

No, no, no

If you take your love away from me  
I'll go crazy, I'll go insane

No baby

No baby

No baby

No, no, no

No baby

No baby

No baby

No, no, no

You've got your problems baby  
And I've got mine  
Let's just spend it all by putting it together, yeah  
When you say you love me it don't mean a thing  
If you care, you'll be there, like you used to be, yeah  
I'm searching for the words to make you realize  
That I really, really want you to stay, oh  
Tears of frustration I hold inside  
But if you walk away  
You'll make this grown man cry

Don't leave

Don't leave me girl  
Please stay with me tonight  
Don't leave me girl  
Please stay with me tonight

Forget my pride girl, I beg you  
You're my heart, you're my soul  
You've got so much control  
My love runs deep within the ocean and sea  
But if you sail away  
You'll take a center piece of me

Don't leave  
Don't leave me girl  
Please stay with me tonight  
Don't leave me girl  
Please stay with me tonight

(No, Don't go)

Don't leave  
Don't leave me girl  
Please stay with me tonight  
Don't leave me girl  
Please stay with me tonight

Stay, stay, stay  
Stay right here with me forever  
Stay, stay, stay  
Stay right here with me forever  
If you take your love away from me  
I'll go crazy, crazy, crazy, insane  
If you take your love away from me  
I'll go crazy, I'll go really crazy
