Ehhhhhh... doooooo eey yeah... Love thang yeaaaah
We got a love thang

[Verse 1:]

Honey don't you know that I been waiting, everyday
anticipating
For a woman just like you to come my
(Aay) I been searching the right and wrong til I'm so
glad you came along
To end this loneliness I found
And it's good to have you around

[Hook:]

Cause you make me, so happy
I got to let you know that I'll never let you go
And you make me feel, so special
You're mine and mine alone
We got a love thang goin on

[Chorus:]

No doubt about it
We got good thang goin on
No doubt about it
We got a love thang
No doubt about it
We got a good thang goin on
No doubt about it
We got a love thang

[Verse 2:]

(Aay) ooh tell me girl
Anything that I must do
Cause there's no mountain too high
No valley low for me to
Keep you completely love you down so sweetly
Nothing but a love thang goin on
And the feelings oh so strong

[Hook:]

Cause you make me, so happy
I got to let you know that I'll never let you go

And you make me feel, so special
You're mine and mine alone
We got a love thang
A love thang goin on

[Chorus:]

No doubt about it
We got good thang goin on
No doubt about it
We got a love thang
No doubt about it
We got a good thang goin on
No doubt about it
We got a love thang
No doubt about it
We got a good thang goin on
No doubt about it
We got a love thang
No doubt about it
We got a good thang goin on
No doubt about it
We got a love thang

[Instrumentals: adlibs]

No doubt about it
We got a love thang
No doubt about it
We got a love thang
Baby, I wanna love you, love you
No other woman can give me joy
No other woman can love
Let me show you what I mean
Baby yeah
I wanna wrap you in my arms, I wanna hold you in my
arms, I wanna make you feel alright, let me love you
down tonight
Love thang, love thang yeah
Reaaal love
We got a love thang
Love thang, we got a love thang
Love thang yeah
Baby let me show you how I feel
Cause I know this love is real, I know this love is real
Whoaaa
