Rock and roll,
Expand and contract
Redisgn repackage and shove it all back
Into your face, false release
Reassign perspective put it all in it's place
Well the notes are for profit
And the violence is a whore
Corruption sex and power stand for rock and roll
Pay to play
Expand and contract
Redisgn repackage and shove it all back
Into your face, false release
Reassign perspective put it all in it's place
Well the notes are for profit
And the violence is a whore
Corruption sex and power stand for rock and roll

From '55 to '99, what was once rebellion got
Consumed
Alive
Recreated, replicated, mass apeal you
Synthesize
Emotion but you still can't feel

The sound of the street isn't here anymore
Rap stole the bite from the working class poor

From '55 to '99, what was once rebellion got
Consumed

Rock and roll,
Expand and contract
