I guess you wonder where I've been  
I searched to find a love within  
And I came back to let you know  
Got a thing for you and I can't let go

My friends wonder what is wrong with me  
Well I'm in a daze from your love, you see  
I came back to let you know  
Got a thing for you and I can't let go

Some people go around the world for love  
But they may never find what they dream of

What you won't do, do for love  
You've tried everything but you don't give up  
In my world only you make me do for love  
What I would not do

My friends wonder what is wrong with me  
Well I'm in a daze from your love, you see  
I came back to let you know  
Got a thing for you and I can't let go

And though I only want the best it's true  
I can't believe the things I do for you  
What you won't do, do for love  
You've tried everything but you won't give up  
In my world only you make me do for love  
What I would not do

What you won't do do for love  
You tried everything but you won't give up  
In my world only you, only you make me do for love  
What I would not do make me do for love  
What I would not do make me do for love

What you won't do do for love  
You tried everything but you won't give up  
In my world only you, make me do for love  
What I would not do

Oh only you make me do for love
