Seen my soul walk away  
As I lay down to sleep on a bed  
Made of thorns and the heat  
Made me run the confusion ahead  
And a sleep try and dream

Angel, Angel eyes darling I love you  
Angel, Angel eyes darling, I'll be holding you tonight

Seen my soul walk away  
As I lay down to sleep next to what  
What one was now is gone  
Like the waves beating down on a shore  
Hold on, always will

Looked out my window  
Just the other night  
I was looking for your light  
Shine for me one last time  
Bright..
