You were faithful to the family
They gave you everything you could ever need
The don treated you just like a son
How was he to know that you would be the one
Was it the feds - did they have a line on you?

Kiss of death - for your dishonor
Kiss of death - now you must pay
Kiss of death - make peace with your maker now

When you least expect it, is when we make our call
There's no escaping the hammer when it falls

Or make you dreams come true
Both the options are laid at your feet
Now the choice is up to you
