Love is just like a baseball game
Three strikes you're out

Up to bat {To bat}
I thought I hit a love run
But to my surprise
I found I didn't hit none

Threw her love so fast
She put me in a daze
Never knew that love
Could come so many ways

{Strike one} She took me by surprise
{Strike two} Right in front of my eyes
{Strike three} Oh, I was out without a doubt
Oh, I was out

(Oh, love) Love is just like a baseball game
Three strikes you're out (Three strikes you're out)
Whether you win or lose
(Oh, love) Love is just like a baseball game (Is like a
baseball game)
Three strikes you're out
Everybody's got to pay some due

Oh, I'm up to bat {To bat}
I'm gonna try love one more time
I really love this girl
And I'm gonna make her mine

I ain't never won
When I played a baseball game
Now it seems that love
And baseball are just the same

{Strike one} Oh, she did it again
{Strike two} Looks like I'm never gonna win
{Strike three} Oh, I was out without a doubt
I was out

(Oh, love) Love is just like a baseball game
Three strikes you're out (Three strikes you're out)
Whether you win or lose
(I said love) Love is just like a baseball game
Three strikes you're out
Everybody's got to pay some due (You got to pay some
due)

(Oh, love) Love is just like a baseball game
Three strikes you're out (Three strikes you're out
whether you win or lose)
(I said love) Love is just like a baseball game
Three strikes you're out (Oh)
Everybody's got to pay some due (Got to say it again)

(Love, love, love) Love is just like a baseball game
Three strikes you're out (Three strikes you're out
whether you win or lose)
