Somewhere near these dirty roads Lies a path that leads me there Where it goes, hell if I know Lets just go no time to spare

Feel free To do whatever you please Feel free To do whatever

This is the place where I feel free (I feel free to make a choice) This is where I filter out (what disturbs my inner voice) When your options become clear Donâ€Â™thold back Fear is what you need to use Be yourself in what you choose

Feel free To do whatever you please Feel free To do whatever you please!!!!

Hey, alright LÃ<sup>2</sup>s e pa mi! Losing your mind â€Â<sup>~</sup>Cause is a hard thing to find

The only thing that you couldnâ€Â™t leave behind Who do you really-eally wanna impress? Youâ€Â™ re so concerned, so concerned 'bout the rest I never let nobody tell me what to do

Feel free To do whatever you please Feel free To do whateverâ€Â¦
