Oh no man
You lose your head in the battle
But you come back strong
After so long to round up your cattle
The times have changed
There ain't nobody know your name
I say your times have changed
But somethings will always remain the same

And I know now
That I need you by my side tonight
Yea I know now
Don't you run and hide

And eventhough you catch me laughing
Inside it's still hurtin'
And I know
Cause I feel the pain everytime you're around
Eventhough you never see me crying
Inside it's still hurtin'
So come on darlin'
Give me one more round

So many years
This fire it has been burning
And now I see
Said I see it's flames beginning to die
So many tears
So many tears have fallen
So come on Darlin'
Said let we blaze up this fire tonight

And I know now
That I need you by my side tonight
Yea I know now
Don't you run and hide

And eventhough you catch me laughing
Inside it's still hurtin'
And I know
Cause I feel the pain everytime you're around

Eventhough you never see me crying
Inside it's still hurtin'
So come on darlin'
Give me one more round
