Let's start from here
Mend your broken heart
Let's start from here
And feel the emptiness inside

Figure out what it could be
And how possibly it won't be

Cruel intentions in my mind
Show me how to act
(you show me how to act)
Cruel intentions I can't hide
Show me how to love
(you show me how to love)
Looking for the one
Has never been easy
The mornings that are breezy
Empty feelings in me

How could it be
And where will I be

Cruel intentions in my mind
Show me how to act
(you show me how to act)
Cruel intentions I can't hide
Show me how to love
(you show me how to love)
Send me your thoughts
I will lend my ears
Open your eyes and see me
Open your eyes and see me

Ohhhhhh~!ohhhhh..

Cruel intentions in my mind
Show me how to act
(you show me how to act)
Cruel intentions I can't hide
Show me how to love
(you show me how to love)
