

Inversion "Defilement"

Skin torn, blood flow
Limbs tied, throat exposed
On the altar of eternity the sacrifice has been prepared
Offering of indemnity
The justified look on their Lord
Another offering
Is now commencing

Sacrifice of the evil
Must be crushed
Burned

Pinned forever to its cross

Defilement

Skin torn, blood flow
Followers of the dragon tied to the altar

Sacrifice of the evil
Must be crushed
Burned
Pinned forever to its cross
