The river flows, it flows to the sea
Wherever that river goes that's where I want to be
Flow river flow, let your waters wash down
Take me from this road to some other town

All he wanted was to be free
And that's the way it turned out to be
Flow river flow, let your waters wash down
Take me from this road to some other town

Flow river flow, past the shaded tree
Go river, go, go to the sea, flow to the sea

The river flows, it flows to the sea
Wherever that river goes that's where I want to be
Flow river flow, let your waters wash down
Take me from this road to some other town
