Nobody feels any pain
Tonight as I stand inside the rain
Ev'rybody knows
That Baby's got new clothes
But lately I see her ribbons and her bows
Have fallen from her curls
She takes just like a woman, yes she does
She makes love like a woman, yes she does
And then she aches just like a woman
But she breaks just like a little girl

Queen Mary, she's my friend
Yes, I believe I'll go see her again
Nobody has to guess
That Baby can't be blessed
Till she sees finally that she's like all the rest
With her fog, with her amphetamine and her pearls
She takes just like a woman
And she makes love like a woman
And she aches just like a woman
But she breaks just like a little girl

It was raining from the first
And I was dying there of thirst
So I came in here
And your long-time curse hurts
But what's worse
Is this pain in here
I can't stay in here
Ain't it clear that

I just don't fit
Yes, I believe it's time for us to quit
And when we meet again
Introduced as friends
Please don't let on that you knew me when
I was hungry and it was your world
You take just like a woman
And you take just like a woman, yes you do
And you make love like a woman, yes you do
And then you ache just like a woman
But you break just like a little girl
