(H. Carter)

Cursed with sorrow pain and woe

Full of feelings I can't show

Hopeless love what else for me

Is this my destiny?

God in Heaven surely meant

For every man somewhere a mate

Someone stole my love from me

Is this my destiny?

At night I toss and wonder why

I must live while others die

Prayer would be an escape for me

Is this my destiny?

Instrumental (Pedal Steel Guitar - Sneaky Pete)

At night I toss and wonder why

I must live while others die

Prayer would be an escape for me

Is this my destiny?

Is this my destiny?
