My nights have been lonely, since I been in Tulsa
county
I really don't know, what I'm going to do
I just might take a trip somewhere along the southern
border
'Cause I know I gotta get away from you

I don't know
Just where I'll go
I believe I'll ride it down to Mexico
Down to Mexico

Got your note in Charleston, said "You needed my
assistance"
But when I got there, you didn't need me then
I may not be a wise man, but I know this life you're
leading
You learned your tricks from lots of other men

I don't know
Just where I'll go
I believe I'll ride it down to Mexico
Down to Mexico

I don't know
Just where I'll go
I believe I'll ride it down to Mexico
Down to Mexico
