Surprise
Open your eyes
The light flashes all around the room
And the things you see
No one could ever believe
And why could you leave me behind
After all I did for you
I guess in the end
Well it's not just pretend

Cause you're so
Lost in love
If you'd
Slow down
Lost in sounds
That build us up
(Ohohohohh)

To lie
Bout tears in your eyes
These feelings never seem to change
If we're all the same
Well tell me who can I blame
When I died
Was all by myself
Lost in the dark
With no one to help me out
I think there's something more
Something you'll never know

Cause you're so
Lost in love
If you'd
Slow down
Lost in sounds
That build us up
(Ohohohohh)

Cause you're so
Lost in love
If you'd
Slow down

Lost in sounds
That build us up
(Ohohohohh)

We wont we wont
Let this go
We wont we wont
Let this gooooo
We wont we wont
Let this gooo
We wont we wont
Let this go

Cause you're so
Lost in love
If you'd
Slow down
Lost in sounds
That build us up
(Ohohohohh)

Cause you're so
Lost in love
If you'd
Slow down
Lost in sounds
That build us up
(Ohohohohh)
