Some bang their heads against the walls  
I'm far away  
Screws bang their batons on the bars  
I try to turn my mind a blank

This presence already inside me  
I reach a place they'll never find  
I'm gripped inside with anger  
Silence is my only friend

You are my only...

I see a distant skyline  
Of a place I'll never be  
The great escape I dream of  
I'll find it in the chair

Danger, Anger,  
Black and Devil

[Chorus:]  
I can feel it inside me  
I can feel a taste of death  
I can feel it inside me  
I can feel I'm going mad

My days will not be ended  
By lowly suicide  
They treat me like a monster  
But I keep my secret pride

Anger, anger  
Black and Devil

[Chorus]

I see a distant skyline  
Of a place I'll never be  
The great escape  
I dream of  
I'll find it in the chair [x4]

[Chorus]
