Looking for a sign  
Just can't remember  
Walking the line  
Between life & death  
Smelling the flesh  
An incense of sacrifice

He talks of a time  
That wasn't my life  
He reads in my mind  
Things I could deny  
Is it a crime?  
Am I really the chosen one?

Here in the dark  
Sounds behind me like gun shots  
There in the mark  
I can read "The End"

She talks about lies  
Of all those past days  
She reads in my eyes  
How fed up I was  
For her it's a deal  
No pain no more change in my life

Here in the dark  
Sounds behind me like gun shots  
There in the mark  
I can read "The End"

[Chorus]  
When I entered the darkness  
I saw the merciless man  
He said "Come on, take my hand..."  
"Welcome to my wonderland"

When I feel into the darkness  
This old man, that some call madness  
Just said "Hey! Bring me some heads!"  
"Welcome to my wonderland"

I'm looking for a sign  
I just can't remember  
It smells here like sacrifice  
Welcome to my wonderland

Here in the dark  
Sounds behind me like gun shots  
There in the mark  
I can read "The End"
