(Inhale vocal)

The fire is spreading, spreading  
The fire is spreading, spreading

No one can hear  
Their Screams  
No one can hear them, as they scream

Fire burns, all faculty evacuated  
Forgot about,  
Children remaining, in the basement

There are only seconds left  
Smoke is choking away their breath  
Flames are licking at the door  
Nothing heard, nothing more  
The warning sirens weren't heard  
In panic the students were ignored  
Left to struggle on their own,  
Deaf and lost, they'll die alone

Fire!

Soon the fire will subside  
No thought for those left inside  
It's over now, nothing moves  
The blackened school is now their tomb

Soon the fire will subside  
No thought for those left inside  
It's over now, nothing moves  
The blackened school is now their tomb

The fire is spreading, spreading  
The fire is spreading, spreading

No one can hear  
Their Screams  
No one can hear them, as they scream

They could not

Hear their own  
Demise
