No I'll never be told
And no I won't be sold
Don't ya know I'm not blind
I'll never fall in line.

You tell me it's white
When it's black and gray
Well I know what's right
Don't wanna play your game.

No I just can't listen
No I just can't piss it away...

Who are you, are you...
I don't want to stay
I don't want no lies
I don't want it day after day. [x2]

You know I'm not the kind
To ever fall behind
Don't you know it's not me
To follow the lead.

So now you're getting your kicks
From everyone you crush
And everybody gets kicked
'Cause they don't stand up.

No I just can't listen
No I just can't piss it away...

Who are you, are you...
I don't want to stay
I don't want no lies
I don't want it day after day. [x2]

Whoa... whoa... whoa whoa
You're looking at me, talking to me
Whoa... whoa... whoa whoa

Who are you, are you...
I don't want to stay

I don't want no lies
I don't want it day after day. [x4]
