I watch you die inside so silently. you hide behind your walls, and don't speak.
so come alive. this time, i'll take the weight. open your eyes before it's too late.

so let it out. just get it out. what's in your head? are the words just dead?
so let it out. just get it out. it's not the end.

Don't paint it blue-hoo-hoo-hoo. when the wall's closing on you,
Don't paint it blue-hoo-hoo-hoo. just let it out.

na, na, na, na, na, na, na, na, na, na, na, na, na.
na, na, na, na, na, na, na, na, na, na, na, na, na.

you got regrets, a debt that you don't need. you got a hole, a soul that's empty.
there comes a time when your crying is just a show.
you won't get by getting high and hollow.

so let it out. just get it out. what's in your head? are the words just dead?
so let it out. just get it out. it's not the end.

Don't paint it blue-hoo-hoo-hoo. when the wall's closing on you,
Don't paint it blue-hoo-hoo-hoo. when you fall and break in two,
Don't paint it blue-hoo-hoo-hoo. just let it out.

na, na, na, na, na, na, na, na, na, na, na, na, na.
na, na, na, na, na, na, na, na, na, na, na, na, na.
just let it out!

so let it out. just get it out. don't hold it in underneath your skin.
so let it out. just get it out. don't let it win.

Don't paint it blue-hoo-hoo-hoo. when the wall's closing on you,
Don't paint it blue-hoo-hoo-hoo. when you fall and

break in two,
Don't paint it blue-hoo-hoo-hoo. and the wall's closing
on you,
Don't paint it blue-hoo-hoo-hoo. let it out, get it out, let it
out, now.
Don't paint it blue-hoo-hoo-hoo. don't paint it blue-hoo,
blue-hoo, blue-hoo!
Don't paint it blue-hoo-hoo-hoo.
