The rapist, the sadist
We're commin' for you
The pusher, the beggar
The gouvernement too
The coppers, the stalkers
Can't keep it in line
The animals are commin'
And we're out of time.

Runnin' from them
Now we're
Now we're commin'.

Shame on you
Shame on all you do
Shame on you
Shame on,
We'll take it to ya
Shame on you
Shame on all you do
Shame on you
We'll take it to ya
When we catch you

The leaders are cheaters
Don't care if we die
Elected officials
Are telling us lies
The preachers, the teachers
Sick pedophiles
You think that you're free?
Well you're drunk on your denial.

Runnin' from them
Now we're
Now we're commin'.

Shame on you
Shame on all you do
Shame on you
Shame on,
We'll take it to ya

When we catch you.

Whoa oh, whoa oh!
We're screamin'
Whoa oh, whoa oh!
We're freezin'
Whoa oh, whoa oh!
We're bleedin'
Whoa oh, whoa oh!
We're scremin'
We're freezin'
We're bleedin'
What's the reason?
What's the reason?
What's the reason?
Stealin'
Feelin'
Can't touch us now!

Shame on you
Shame on all you do
Shame on you
Shame on,
We'll take it to ya
Shame on you
Shame on all you do
Shame on you
We'll take it to ya

Shame on you[x4]
