Here I am,  
Lost in the light of the moon,  
That comes through my window.

Bathed in blue,  
The walls of my memory divides,  
The thorns from the roses.  
It's you and the roses.

[CHORUS]

Touch me and I will follow,  
In your afterglow.  
Heal me from all this sorrow,  
As I let you go.  
I will find my way  
When I see your eyes,  
Now I'm living,  
In your afterglow.

Here I am,  
Lost in the ashes of time,  
But who wants tomorrow,  
In between,  
Longing to hold you again,  
I'm caught in your shadow.  
I'm losing control.

My mind drifts away,  
We only have today.

[CHORUS]

Touch me and I will follow,  
  
In your afterglow.  
Heal me from all this sorrow,  
As I let you go.  
I will find my way,  
I will sacrifice,  
'Til the blinding day,  
When I see your eyes.

Now I'm living,

In your afterglow [in your afterglow].  
When the veils are gone,  
As I let you go,  
As I let you go.

[CHORUS]  
Touch me and I will follow,  
In your afterglow.  
Heal me from all this sorrow,  
As I let you go.  
I will find my way  
I will sacrifice,  
Now I'm living,  
In your afterglow.

Bathed in blue,  
The walls of my memory divides,  
The thorns from the roses.  
It's you who is closest.
