Deep down in my heart  
There is a lot of words  
Tears fall down my face  
But I hear the many voices that cry in pain

I wanna tell you  
Don't give it up  
I wanna tell you  
Don't give it up

Hear the voices  
That surround you  
All the people  
Never doubt it

Hear the voices  
Take a look at what surrounds you  
All the people  
We can change things never doubt it

We won't take new start  
Is it just too much to ask

What does it take  
Cause I hear a million people singing the same

I wanna tell you  
Don't give it up  
I wanna tell you  
Don't give it

Hear the voices  
That surround you  
All the people  
Never doubt it  
Hear the voices  
Take a look at what surrounds you  
All the people  
We can change things never doubt it

We can change it  
We can change it

Hear the voices  
All the people
