Don't you wonder is anyone that strong?
It takes me under believing what I'm seeing
I get so tired of watching friends go down
The hungry tiger, for all who never began

Biting bullets
Biting the clouds

Biting bullets
Biting the clouds

I saw the show shaking all the babies
Should I believe the parade of clever lies
Shadow of light in the shadow of death
There is no difference to all who never began

Biting bullets
Biting the clouds

Biting bullets
Biting the clouds

There was a time
There was a way to live
And it's no secret
That it won't come back again

I lose myself like anybody else
But I'm not so strong to make it in the end
I need some answers when the day comes crashing
down
'Cause it's all over, when there's no one to be found

Biting bullets
Biting the clouds

Biting bullets
Biting the clouds

Biting bullets
Biting the clouds

Biting bullets
Biting the clouds
