In the dark of the night  
Those small hours  
Uncertain and anxious  
I need to call you

Rooms full of strangers  
Some call me friends  
But I wish you were so close to me

In the dark of night  
Those small hours  
I drift away  
When I'm with you

In the dark of night  
By my side  
In the dark of night  
By my side  
I wish you were  
I wish you were

Here comes the clown  
His face in a wall

No window  
No air at all

In the dark of night  
Those faces they haunt me  
But I wish you were  
So close to me

In the dark of night  
By my side  
In the dark of night  
By my side  
I wish you were  
I wish you were

In the dark of night  
By my side  
In the dark of night

By my side  
I wish you were  
I wish you were

In the dark of night  
Those faces they haunt me  
But I wish you were  
So close to me  
Yes, I wish you were  
By my side
