Here comes the woman, with the look in her eye  
Raised on leather, with flesh on her mind  
Words as weapons, sharper than knives  
Makes you wonder, how the other half die? Other half  
die  
Makes you wonder, wonder, wonder

Here come the man, with the look in his eye  
Fed on nothing, but full of pride  
Look at them go, look at them kick  
Makes you wonder, how the other half live

The devil inside, the devil inside  
Every single one of us the devil inside  
The devil inside, the devil inside  
Every single one of us the devil inside

Here come the world, with the look in its eye  
Future uncertain, but certainly slight  
Look at the faces, listen to the bells  
It's hard to believe we need a place called hell, place  
called hell

The devil inside, the devil inside  
Every single one of us the devil inside  
The devil inside, the devil inside  
Every single one of us the devil inside

Here comes the woman, with the look in her eye  
Raised on leather, with flesh on her mind  
Words as weapons sharper than knives  
Makes you wonder, how the other half die

The devil inside, the devil inside  
Every single one of us the devil inside  
The devil inside, the devil inside  
Every single one of us the devil inside

The devil inside, the devil inside  
Every single one of us the devil inside  
The devil inside, devil inside  
Every single one of us the devil inside

The devil inside, yeah, yeah, yeah  
The devil inside, yeah, yeah, yeah
