All you got it this moment
Twenty-first centurys yesterday
You can care all you want
Everybody does, yeah, thats ok
So slide over here
And give me a moment
Your moves are so raw
Ive got to let you know
Ive got to let you know
Youre one of my kind
I need you tonight
Cause Im not sleeping
Theres something about you girl
That makes me sweat
How do you feel?
Im lonely
What do you think?
Cant think at all
Whatcha gonna do?
Gonna live my life
So slide over here
And give me a moment
Your moves are so raw
Ive got to let you know
Ive got to let you know
Youre one of my kind
I need you tonight
Cause Im not sleeping
Theres something about you girl
That makes me sweat
How do you feel?
Im lonely
What do you think?
Cant think at all
Whatcha gonna do?
Gonna live my life
How do you feel?
Im lonely
What do you think?
Cant think at all
Whatcha gonna do?
Gonna live my life

So slide over here
And give me a moment
Your moves are so raw
Ive got to let you know
Ive got to let you know
So slide over here
And give me a moment
Ive got to let you know
Ive got to let you know
Youre one of my kind
