(I'm coming home, coming home)
(I'm coming home, I'm coming home)

Yeah
Uh huh
Capital, good girl
Get to that rating, you're coming home [chuckle]
Yeah

I'm coming home
(I'm coming home, coming home) I'm coming home
(Coming home to you)
(Coming home) I'm coming, coming home
(I'm coming home, coming home)
(Coming home to you) Home to me

Get in the house, baby
Get the police ready
Get the two-leaded guitar with your lips ready
And get the ?burley slip? ready
Get the fish and sounds ready
Get the car and botique
I'm ready to follow you, baby (?)
Curves, I'm coming home-home-home-home

(I'm coming home, coming home) I'm coming home to
you, momma
(Coming home to you) I'm coming home
(Coming home)
(I'm coming home, coming home) I'm coming home
(I'm coming home to you) to you [chuckle] (you-you-
you)

(I'm coming home, coming home)
I'm coming home to you
(I'm coming home, coming home)
(Coming home to you)
(Coming home)
(I'm coming home, coming home)
(Coming home to you)

Ha ha ha ha, so how many heavens have you gotten in
the edge?
Mmmm, mmmm
I can't wait to get home with lot of big large things for
one place
I dream of each precautonal things you could have
imagined
(What?)
Awesome moves, Preston
Phenomenons
What kinds of thing that no one heard? Well
So and by the way, uh, I lost my address
(Oh dearest, oh)
Oh, what an actual good time for a happy name
(Got a pen?)
