Yeah, it ain't easy, it ain't easy
It ain't easy, it ain't easy
It ain't easy, it ain't easy

As soon as you're down, they kick you in the face
What does this say about the human race?

It ain't easy, life ain't easy
It ain't easy, it ain't easy yeah

Woo...hey now, just turn Around
I bet you look back, you're looking good
You're feeling alright wouldn't that be
For all to see, three blind mice
Having a fight, one two three
Taking on the sidewalk
Hey can you help, don't give me no daydream
Friend indeed is a friend of idea
Say hey now (yeah) I said hey now

It ain't easy (yeah) It ain't easy
It ain't easy (yeah) It ain't easy
Easy easy easy easy

Now that we found love's such a good feeling
Just get up and dance
What will we do when you take a feening
Me on my knuckles
What would you say if the earth are moving
When I'm going to the land?
Say what you mean, do what you do
Go with the go, but don't stop thinking

Easy, life ain't easy, it ain't easy
It ain't easy, it ain't easy
It ain't easy, it ain't easy
Easy (pour the gasoline) it ain't easy (pour the
gasoline)

Life's like three blind mice on an old runway
Waiting for the jet to land (vaseline)

Here comes the plane, get out of the van
Run for the wild (vaseline)

Easy, life ain't easy

(It ain't easy, woo) Well I'm talking on the sidewalk
Hey can you help us
Talking to my baby, finding me
'Cause it's fine for the feeling (easy)
Hey now, won't you look backward (woo)
You're doing alright (say)
Take my beam for all to see
Three blind mice, down on a fight
One two three, hey now, that's a turnaround
Hey can you help, don't you give me no daydream
Hey can you help, but don't give me no daydream
