Green fields, grass and earth
Broken bottles, bricks and dirt
Sunshine soothing, clouds are hazy
Dark street corners, feeling lazy

Fast car driving, sleek and modern
Public transit, photos waiting
Blood and glass, three points of rain
Carpet lining, seats reclining

Clever words on smooth tongue talking
Shove it brother, just keep walking

City penthouse, the kitchen living
A country home, it's a kitch living
Money can buy almost anything
But anything's nothing when you're dead

Fast car driving, sleek and modern
Public transit, photos waiting
Blood and glass, three points of rain
Carpet lining, seats reclining

Clever words on smooth tongue talking
Shove it brother, just keep walking

Green fields, grass and earth
Broken bottles, bricks and dirt
Sunshine soothing, clouds are hazy
Dark street corners, feeling lazy

Fast car driving, sleek and modern
Public transit, photos waiting
Blood and glass, three points of rain
Carpet lining, seats reclining
