I'm making love, I'm making songs
I'm fooling around, like I can do

Oh look at you, so in your place
I love you, just a stupid face

You made me laugh, you made me cry
You made me laugh, you made me cry
You made me laugh, you made me cry
I don't need you, I don't need you

I'm watching you, still back again
Put in despair, but I'm not upset

Oh look at you, so in your place
I love you, just a stupid face

You made me laugh, you made me cry
You made me laugh, you made me cry
You made me laugh, you made me cry
I don't need you, I don't need you

I don't need you
I don't need you

Oh look at you, so in your place
I love you, just a stupid face

You made me laugh, you made me cry
You made me laugh, you made me cry
You made me laugh, you made me cry
I don't need you, I don't need you

I'm making love, I'm making songs
I'm fooling around, like I can do

Oh look at you, so in your place
I love you, just a stupid face

You made me laugh, you made me cry
You made me laugh, you made me cry

You made me laugh, you made me cry
I don't need you, I don't need you
You made me laugh, you made me cry (Oh look at you)
You made me laugh, you made me cry
(So in your place, I love you, just a stupid face)
You made me laugh, you made me cry (Oh look at you)
(So in your place, I love you, just a stupid face)
I don't need you...baby
