"Let It Ride"

Sky is blue I'm watching you
Grass is green what does it mean
Clouds are white don't loose that fight
Generations oversight
Is fucking up my poetry
Let it ride, ride, ride
Ride, ride, ride
Ride, ride
Caught in between
The sun and the moon
And the stars
Caught in between
The sun and the moon
And the stars

Caught in between
The sun and the moon
And the stars

Caught in between
The sun and the moon
And the stars

The sky is blue I'm watching you
The grass is green what does it mean
Clouds are white don't loose that fight
Generations oversight
Is fucking up my overdrive
Let it ride, ride, ride
Ride, ride, ride

Ride, ride, ride
Let it ride, ride, ride
