If you're at home, Merry Christmas  
If you're far, far away, Merry Christmas  
If you're out on the street, still standing on your feet  
Merry Christmas, ah ha, ha

Another year has gone, Happy New Year  
If you have to be alone, Happy New Year  
So wrap your laughing gear around a bottle of beer  
Happy New Year, ah ha, ha

Resolutions to be made, Happy New Year  
Love your family and your friends, Happy New Year  
From Jon, Mike, and Kirk  
Andrew, Garry, and Tim, Happy Christmas, ah ha, ha

Happy new year, ah ha, ha  
Happy new year, all of you  
Merry Christmas (Merry Christmas)  
Have a merry christmas  
Merry Christmas  
Happy new year  
Happy new year, whoo! whee-hoo!  
Merry Christmas  
Ha
