Live baby live  
Now that the day is over  
I got a new sensation  
In perfect moments  
There's some impossible to refuse

Sleep baby sleep  
Now that the night is over  
And the sun comes like a god  
Into our room  
All perfect light and promises

Gotta hold on you  
A new sensation, a new sensation  
Right now  
It's gonna take you over  
A new sensation, a new sensation

Dream baby dream  
Of all that's come and going  
And you will find out in the end  
There really is  
There really is no difference

Cry baby cry  
When you got to get it out  
I'll be your shoulder, you can tell me all  
Don't keep it in ya  
Well that's the reason why I'm here

Hey hey, are you ready for  
A new sensation, a new sensation  
Right now  
Gonna take you on a  
New sensation, a new sensation  
Trumpet

A new sensation  
Hey hey hey hey  
A new sensation  
A new sensation

Hate baby hate  
When there's nothing left for you  
You're only human, what can you do?  
It'll soon be over  
Don't let your pain take over you

Love baby love  
It's written all over your face  
There's nothing better we could do  
Than live forever  
Well that's all we've got to do

Hey now, I'm gonna take you over  
A new sensation, a new sensation  
Right now  
Gotta hold on you  
A new sensation, a new sensation  
A new sensation, a new sensation

A new sensation
