Shake, make it forever
A curlin' from your lips
Faith, and it's not over
Bring on the famous word
Love, don't abuse it
And never be sad again

I'm on my way
I'm on my way

Blood's, gettin' hotter
Thinkin' about your hips
I feel, all the hunger
The minute you turn away
(Think)
Yea I think, it's gettin' better
But I can't wait another day
(Yea)

I'm on my way
(Oh ya)
I'm on my way

Make, all your wishes
No sooner said than done
Here I come, like I told you
Whether by land or sea
She said, "This is the real thing
'Cause you're never gonna find the door", yeh

I'm on my way
I'm on my way
I'm on my way
I'm on my way
(Back home)

I'm on my way
I'm on my way
I'm on my way
I'm on my way

Love, I don't use it

And never be sad again

Hey

I'm on my

I'm on my

I'm on my way

Hey

I'm on my

I'm on my

I'm on my way
