Suicide Blonde  
INXS

Don't you know what you're doing  
You've got a death wish

Suicide blonde  
Suicide blonde  
Suicide blonde  
Suicide blonde

Suicide blonde was the color of her hair  
Like a cheap distraction for a new affair  
She knew it would finish before it began  
Wow baby I think you lost the plan

You want to make her suicide blonde  
Love devastation suicide blonde  
You want to make her suicide blonde  
Love devastation suicide blonde

She stripped to the beat but her clothes stay on  
White light everywhere but you can't see a thing  
Such a squeeze  
A mad sad moment  
Glory to you  
Glory to you  
Take me there  
Take me there

Got some revelation  
Put into your hands  
Save you from your misery like rain across the land  
Don't you see the color of deception  
Turning your world around again

That's the story
