Calling, calling, calling, calling
Yea
(Calling)
Calling on it
(Calling)

There's a red red sun
And I'm thinkin' of you
I tell it a story
As it sinks out of view

One sun apart
One heart within
Red sun shines on
Sees no tomorrow
Sees no tomorrow
Sees no tomorrow

There's a girl far away
And she's callin' my name
With a tower of love
And a shadow of pain

One sun apart
One heart within
Red sun shines on
Sees no tomorrow
Sees no tomorrow
Sees no tomorrow

Huh yea
Ahh yea

There's a red, red sun
And it's comin' for you
To waken your heart
Like you know I always will do

One sun apart
One heart within
Red sun shines on
Sees no tomorrow

Sees no tomorrow
Sees no tomorrow

One sun apart
One heart within
Red sun shines on
Sees no tomorrow
Sees no tomorrow
(Sees no tomorrow)
Sees no tomorrow
(Sees no tomorrow)
Sees no tomorrow
(Sees no tomorrow)
