I see a girl but she's roller skating
Well, I don't know her
But she makes me feel like roller skating

If I had a chance at all
I'd build a road that never ends
Chinese envy no damn waiting
I'll be with you roller skating

If I had a chance at all
I'd build a road that never ends
Chinese envy no damn waiting
I'll be with you roller skating

City lights turning green to red
I know I can't see her
All I want to do is take her to bed

If I had a chance at all
I'd build a road that never ends
Chinese envy no damn waiting
I'll be with you roller skating

If I had a chance at all
I'd build a road that never ends
Chinese envy no damn waiting
I'll be with you roller skating

Well, I see a girl but she's roller skating
But I don't know her
But she makes me feel like roller skating

If I had a chance at all
I'd build a road that never ends
Chinese envy no damn waiting
I'll be with you roller skating

If I had a chance at all
I'd build a road that never ends
Chinese envy no damn waiting
I'll be with you roller skating
