One chain to the mountain Two feet in the chain Three fires approaching Four hours away

A sol invictus the invicible sun The night is almost come

Five times the assassin Six species destroyed Seven valleys are numbered Eight years till they're gone

Just when I thought I'd die on this rock I see a face I know

Salvation Jane
Wild wild flower of love
Salvation Jane
You've got the power to change
You're such an easy prey

Nine times the protector Ten years and a day Eleventh hour we're facing Twelve o'clock in the sun

Oh mother nature We're trying to kill you Such greedy fools

Salvation Jane
Wild wild flower of love
Salvation Jane
Wild wild flower of love
You've got the power to change

You're such an easy prey Salvation Jane Wild wild flower of love Salvation Jane You've got the power to change You're such an easy prey

Thirteen grand designs
Fourteen you're walking the wire
Fifteen is when you're lonely
Sixteen is a long way there
Seventeen is a whisper
Eighteen is a whirl
Nineteen is a mother
Twenty minutes ago

Salvation Jane
Wild wild flower of love
Salvation Jane
Wild wild flower of love
Salvation Jane
You've got the power of love
Salvation Jane
You've got the power to change
You're such an easy prey
Salvation
