(backing vocals by tania hancheroff & joani bye)

I am searching  
I am not alone  
I am searching  
Please give me some  
Have we lost direction  
Washed our hands of blood  
I'm in need of sensation  
Is there more to this love

Saw a mother screaming  
She had lost control  
Of what she once believed in  
And she was not alone

If you could face the pain  
And I could do the same  
It would be clear tomorrow  
But will it start  
But will it start again

I am searching  
I am not alone  
I am searching  
Please show me some

Saw a mother screaming  
She had lost control  
Of what she once believed in  
And she was not alone

Have we lost direction  
Washed our hands of blood  
I'm in need of sensation  
Is there more to this love

If you could face the pain  
And I could do the same  
It would be clear tomorrow  
But will it start  
But will it start again

I am searching  
I am not alone  
I am searching  
Please show me some

I am searching  
I am not alone  
I am searching  
Please show me some
