Making up my life
Killer in the night
Rattling my brains
Looking for that light

Shine, shine
Shine so bright, shine

When she does that thing
I want to breathe her in
Throw away my world
If I could see that pearl

Shine, shine, shine, shine
Shine, shine, shine, shine

The skin is deep
But you're, oh so weak
Don't put your faith
In the words they speak

The skin is deep
But you're so so weak
Don't put your faith
In the words they speak

Gimme, gimme reasons
For the things I do
Silhouette, I'm seeing
In the shape of you

Gimme, gimme reasons
For the things I do

Silhouette, I'm seeing
In the shape of you

Shine, shine, shine
Shine, shine

When it does that thing
Killer in the night

Rattling my brains
Looking for the light

Shine, shine, shine, shine
Shine, shine so bright

Gimme, gimme reasons
For the things I do
Silhouette, I'm seeing
In the shape of you

Gimme, gimme reasons
For the things I do
Silhouette, I'm seeing
In the shape of you

Gimme, gimme reasons
For the things I do
Silhouette, I'm seeing
In the shape of you
